

## **Agiltron Named Rising Star in Deloitte's Technology Fast 50 Program for New England**

Woburn, MA, September 23, 2005 — Agiltron, Inc. has been named a Rising Star in Deloitte's Technology Fast 50 program for New England. The Rising Star award is a special designation for fast-growth technology companies that have been in business just three or four years and is part of the New England Technology Fast 50 program, which ranks the 50 fastest growing technology companies headquartered in New England. Rankings are based on percentage revenue growth over three years (2002-2004). This year's New England Technology Fast 50 program is co-presented by Deloitte & Touche LLP, one of the nation's leading professional services firms, and Wilmer Cutler Pickering Hale and Dorr LLP. It is sponsored by William Gallagher Associates, American Stock Exchange and Mass High Tech.

Agiltron is a vertically integrated developer and manufacturer of premium fiberoptic components, optics, and optical systems for the aerospace, communication, and security industries.

"The Deloitte New England Technology Fast 50 Rising Star companies have shown the strength, vision and temerity to succeed despite a very challenging technology environment," said Stephen DiPietro, a partner at Deloitte & Touche LLP and chairman of Deloitte's New England Technology Fast 50 program. "We applaud the successes of Agiltron and acknowledge their place as one of the few to accomplish such a fast growth rate over the past three years." More information on Deloitte's Technology Fast 500 programs can be found at [www.fast500.com](http://www.fast500.com).

"We are honored to be recognized by Deloitte, Wilmer Cutler Pickering Hale and Dorr, William Gallagher Associates, American Stock Exchange, and Mass High Tech for our strong performance," said Dr. Jing Zhao, founder and President and CEO of Agiltron. "This award recognizes the achievements of Agiltron's management and employees in building a strong, rapidly growing technology company. Recognition as a Rising Star company is an affirmation of Agiltron's success in its markets and its potential future growth."
